**NEW Margin Requirement:** \_\_\_\_\_

FOREX.com UK may change Margin Requirements at any time, without prior notice to Customer. No previous Margin Requirement shall preclude FOREX.com UK from increasing that requirement without prior notice.

The high leverage and low Margin associated with Foreign Exchange Trading can result in significant losses due to price changes in Foreign Exchange Contracts and Cross Currency Contracts. Customers must maintain the Minimum Margin Requirement on their Open Positions at all times. It is the customer's responsibility to monitor his/her Account Balance. FOREX.com UK has the right to liquidate any or all Open Positions whenever the Minimum Margin Requirement is not maintained.

Foreign Exchange trading is highly speculative and is suitable only for those customers who (a) understand and are willing to assume the economic, legal and other risks involved, and (b) are financially able to assume losses significantly in excess of margin or deposits.
