**Customer Agreement**

This Agreement sets forth the terms and conditions governing your Account at FOREX.com ("FOREX.com"), a division of GAIN Capital Group, LLC and all Contracts and other transactions in this Account with FOREX.com. In this Agreement, the undersigned customer is referred to as "Customer" or "You."

1. **DEFINITIONS.** Terms capitalized in this Agreement are defined in the Glossary as found on **FOREX.com** website [www.forex.com/en-us/education/glossary/](http://www.forex.com/en-us/education/glossary/)
2. **SERVICES PROVIDED.** Subject to the terms and conditions of this Agreement and acceptance of Customer's application to open an Account with FOREX.com, FOREX.com will maintain one or more Accounts in Customer's name and will effect cash settled and physically settled transactions with and for Customer in the international Over-the-Counter Foreign Currency (foreign exchange) markets and metal markets on a spot basis, and provide such other services and products as FOREX.com may, in its sole discretion, determine from time to time in the future. Unless expressly stated otherwise in writing, all Contracts and other transactions entered into between FOREX.com and Customer shall be governed by the terms of this Customer Agreement, as amended from time to time (including, without limitation, FOREX.com's Trading Policies and Procedures).
3. **REPRESENTATIONS AND WARRANTIES.** As of the date hereof, the date of each Contract and other transaction in Customer's Account and any date on which FOREX.com's Risk Disclosure Statement or Trading Policies and Procedures are revised, updated or amended, Customer represents and warrants to FOREX.com and agrees for the benefit of FOREX.com that:
  - 3.1. if Customer is a natural person, Customer is of sound mind, legal age (18 years old in the United States) and legal competence.
  - 3.2. if Customer is not a natural person, (i) Customer is duly organized and validly existing under the applicable laws of the jurisdiction of its organization; (ii) execution and delivery of this Agreement and all Contracts and other transactions contemplated hereunder and performance of all obligations contemplated under this Agreement and all Contracts and other transactions contemplated hereunder have been duly authorized by Customer; and (iii) each person executing and delivering this Agreement and all Contracts and other transactions contemplated hereunder on behalf of Customer performing the obligations contemplated under this Agreement and any Contract and other transaction contemplated hereunder on behalf of Customer, has been duly authorized by Customer to do so.
  - 3.3. execution and delivery by Customer of this Agreement and all Contracts and other transactions contemplated hereunder, and performance of all of Customer's obligations contemplated under this Agreement and any Contract and other transaction contemplated hereunder, will not violate any statute, rule, regulation, ordinance, charter, by-law or policy applicable to Customer.
  - 3.4. Customer has full beneficial ownership of Customer's Account. Customer has not granted and will not grant a security interest in Customer's Account with FOREX.com (other than the security interest granted to FOREX.com hereunder) to any person without FOREX.com's prior written consent. Customer has full beneficial ownership of all collateral and will not grant any security interest in any Collateral to any person (other than the security interest granted to FOREX.com hereunder) without FOREX.com's prior written consent.
  - 3.5. Customer will execute and deliver all documents, give all notices, make all filings and take such other actions as FOREX.com, in its sole discretion, deems necessary or desirable to evidence or perfect any security interest in favor of FOREX.com or to protect FOREX.com's interests with respect to any Collateral.
  - 3.6. Customer has read and understands the provisions contained in this Agreement, including, without limitation, FOREX.com's Risk Disclosure Statement and Trading Policies and Procedures, Customer will review the Agreement each time it is amended. Customer will not affect any Opening Transaction in Customer's Account unless Customer understands FOREX.com's revised Agreement, and Customer agrees that in effecting any Opening Transaction it is deemed to represent that it has read and understands FOREX.com's revised Agreement as in effect at the time of such Opening Transaction.
  - 3.7. Customer agrees to comply with all applicable law. You may not use your personal account with FOREX.com for any illegal activity.
  - 3.8. All information provided by Customer to FOREX.com, including information regarding Customer's trading experience and investment sophistication, is true, correct and complete, and Customer will notify FOREX.com promptly of any changes in such information.
  - 3.9. The risk capital and/or intended initial deposit provided as part of the Customer Account Application and any subsequent deposits Customer makes to Customer's account in excess of such pre-disclosed amount(s) represents Customer's total risk capital which should it be lost in its entirety would not alter the Customer's lifestyle.
4. **TRADING.** Customer authorizes FOREX.com to purchase and sell physically settled and cash settled Foreign Exchange Contracts and Cross Currency Contracts and Metal Contracts on a spot basis for Customer's Account in accordance with Customer's instructions received through the FOREX.com Online Trading System or via telephone to the FOREX.com Trading Desk, subject to the terms of this Agreement, including the Annexes hereto and the Customer Account Application, including any applicable addenda thereto. Customer agrees to be conclusively responsible for any instruction received electronically that is identified with Customer's password and Account number and for any electronic, oral and written instruction (including, but not limited to, any Order) to FOREX.com from persons FOREX.com, in its sole judgment, believes are apparently authorized by Customer. If Customer's Account is titled as a joint account, FOREX.com is authorized to act on the instructions of any one owner, without further inquiry, with regard to trading in the Account and the disposition of any and all assets in the Account. FOREX.com shall have no responsibility for further inquiry into such apparent authority and no liability for the consequences of any actions taken or failed to be taken by FOREX.com in reliance on any such instructions or on the apparent authority of any such persons.
  - 4.1. **Pricing Information.** FOREX.com will make available, by posting on the FOREX.com Online Trading System or by telephoning the FOREX.com Trading Desk, Bid Prices and Ask Prices at which FOREX.com is prepared to enter Foreign Currency Contracts, Cross Currency Contracts, or Metal Contracts with Customer. Each Bid Price or Ask Price shall be for a Spot Contract with a specified Value Date and shall specify each Eligible Foreign Currency or tradable U.S. dollar-based currency pairs involved where applicable. FOREX.com expects that these prices will be reasonably related to the bid prices and ask prices available in the market at that time for similar transactions, but a number of factors, such as communication system delays, high volume or volatility can result in deviations between prices quoted by FOREX.com and other sources. FOREX.com makes no warranty, express or implied, that Bid Prices and Ask Prices represent prevailing bid prices and ask prices. In addition, these Bid and/or Ask Prices may reflect, at the direction of the Introducing Broker named above, additional pips added to the BID and/or ASK

price that may result in an increase of the dealable spread available for the Customer's account as well as a per trade or per lot commission and/or fees. See **Section 11-Charges**.

- 4.2. **Order Execution.** FOREX.com will attempt to execute all Orders that it may, in its sole discretion, accept from Customer in accordance with Customer's instructions received through the FOREX.com Online Trading System or via telephone to the FOREX.com Trading Desk. In cases where the prevailing market represents prices different from the prices FOREX.com has posted on our screen, FOREX.com will attempt, on a best efforts basis, to execute trades on or close to the prevailing market prices. All Contracts made and entered into by FOREX.com hereunder will be entered into by FOREX.com as principal. Customer acknowledges, understands and agrees that FOREX.com is not acting as a broker, intermediary, agent, and advisor in any fiduciary capacity. Slippage is a term referring to the difference between requested price and the price at which an order is actually filled. Slippage typically occurs around times of news or economic announcements and extreme market volatility and can be either positive or negative. Notwithstanding the provisions of this Paragraph, Customer acknowledges, understands and agrees that all non-market orders are accepted by FOREX.com and undertaken on a "best-efforts basis" in accordance with the relevant provisions of the Trading Policies and Procedures, as amended from time to time. Please visit FOREX.com's website for more information on order types. In limited instances FOREX.com may be unable to execute your trade at your requested rate due to the size of your trade and available liquidity in the market. In these instances, your trade will default to a Request For Quote ("RFQ"). The RFQ functionality will send you a real-time streaming price that you can choose to accept or reject. If you accept the updated price quote, a new trade will be submitted for execution at the updated price, subject to the terms of this Agreement.
- In rare circumstances due to market conditions, lack of liquidity typically associated with large order sizes and/or higher than normal market volatility and associated volume, your order may not be auto executed and be subject to manual review. Such manual review may result in a delay in execution with a potential for price slippage. FOREX.com will always attempt to fill your trades timely and at the best available price.
- 4.3. **Trade Matching.** FOREX.com or its affiliates may, at a future date, establish a trade matching system or determine to route Customer's orders to a trade matching system operated by third parties. In that event, FOREX.com, and/or any one or more of its affiliates, shall have the right (but not the obligation), in the sole discretion of FOREX.com or any such affiliate, to act for its own account, and as a counter party or as a broker to FOREX.com customers, in the making of markets and the purchase and sale of Foreign Exchange Contracts, Cross Currency Contracts and Metal Contracts via any medium, including without limitation, over any trade matching network in use by FOREX.com customers and/or the general public.
- 4.4. **Transmission.** FOREX.com shall have no responsibility for delays in the transmission of orders due to disruption, failure or malfunction of communications facilities and shall not be liable for any claims, losses, damages, costs or expenses, including attorneys' fees, to any person or entity arising other than as a direct result of FOREX.com's gross negligence.
- 4.5. **Position & Trading Limits.** FOREX.com reserves the right to limit the number of Open Positions that Customer may enter or maintain in Customer's Account. FOREX.com reserves the right, in its sole discretion, to refuse to accept any Order opening a new position or increasing an Open Position.
5. **MARGIN REQUIREMENTS.** Customer shall provide to and maintain with FOREX.com Margin in such amounts, in cash or other such forms, and within such limits as FOREX.com, in its sole discretion, may from time to time require. Customer's Account will be under the control of FOREX.com. FOREX.com may change Margin requirements at any time, without prior notice to Customer, and may call for additional Margin ("Margin Call") at (x) any time Customer's Margin Balance falls below FOREX.com's Minimum Margin Requirement as applied to that Account; and (y) any time FOREX.com, in its sole discretion, believes that it is prudent to do so. FOREX.com may at any time liquidate Customer's Account in accordance with Paragraph 9. FOREX.com may withdraw funds from the Customer's account without notice: (x) to ensure that Posted Margin equals or exceeds Required Margin; and (y) to satisfy any payment obligation to FOREX.com, including commissions, fees and charges in respect of Customer's Account. In the event that Customer directs FOREX.com to sell any Margin, Collateral, Contract or other property and FOREX.com is unable to deliver such Margin, Collateral, Contract or other property to a purchaser because Customer fails to deliver it to FOREX.com, FOREX.com may borrow or purchase any Margin, Collateral, Contract or property necessary to make such delivery, and Customer hereby agrees to guarantee and hold FOREX.com harmless against any liability, claim, loss, damage, cost or expense, including attorneys' fees that FOREX.com may sustain. See the Margin Requirements page on FOREX.com's website.
6. **SECURITY AGREEMENT.** In order to secure any indebtedness or other obligations at any time owing from Customer to FOREX.com, including, without limitation, (i) indebtedness or other obligations under any Account, Contract or other transaction with FOREX.com; or (ii) any indebtedness or other obligations resulting from any guarantee by Customer of any Account, Contract or other transaction with FOREX.com, Customer hereby assigns, pledges and grants to FOREX.com a security interest in and right of setoff against: (i) all of Customer's Accounts with FOREX.com; (ii) all Contracts, cash, securities and other property in Customer's Account at FOREX.com or delivered or otherwise provided by Customer to secure its indebtedness or other obligations to FOREX.com or in FOREX.com's possession or control for any purpose (including safekeeping); and (iii) all products and proceeds of the foregoing (collectively, (i), (ii) and (iii) are referred to as "Collateral"). At any time, in FOREX.com's sole discretion and without prior demand or notice, FOREX.com may apply any or all cash (or sell or buy in any such Contracts, securities or other property and apply the proceeds there from) to any such indebtedness or other obligations, notwithstanding that such indebtedness or other obligations arise in an Account other than the Account in which the cash, Contracts, securities or other property were held or generated. Notwithstanding Section 9-207 of the New York Uniform Commercial Code, FOREX.com shall have the right to sell, pledge, rehypothecate, assign, invest, commingle and otherwise use any Collateral it holds (including, but not limited to, using the Contracts as collateral for a loan to FOREX.com) free from any claim or right of any nature whatsoever of the Customer, including any equity or right of redemption by the Customer and to register any Collateral in the name of FOREX.com, its custodian or a nominee for either. Any failure by FOREX.com to enforce its rights hereunder shall not be deemed a future waiver of such rights by FOREX.com. FOREX.com is irrevocably appointed as attorney-in-fact for Customer and is authorized, without notice to Customer, to execute and deliver any documents, give any notice and to take any actions on behalf of Customer, including the execution, delivery and filing of financing statements, that FOREX.com deems necessary or desirable to evidence or to protect FOREX.com's interest with respect to any Collateral. In the event that the Collateral deemed acceptable to FOREX.com ("Eligible Collateral") is at any time insufficient to satisfy Customer's indebtedness or other obligations to FOREX.com, including obligations to provide Margin in accordance with Paragraph 5 hereof, Customer shall promptly pay upon demand the entire amount of such deficit.
7. **NOVATION OF OPPOSING CONTRACTS.** Whenever there may exist in any Customer Account two or more open and opposite Contracts providing in whole or in part for the purchase and sale of the same Foreign Currency, Cross Currency Pairs or Metal Contracts on the same Value Date, such Contracts shall automatically be canceled and replaced by an obligation to settle only the net difference between amounts payable in respect of the relevant currencies under the relevant Contracts, and/or the net difference between the quantities of the relevant currency deliverable there under.
8. **SETTLEMENT DATE; ROLLOVERS; DELIVERY.** In cases where transactions are executed for physical delivery, instructions on the settlement of Open Positions must be given to FOREX.com at least two (2) Business Days prior to the Value Date. In the absence of instructions from Customer directing FOREX.com to deliver, offset, or roll over Open Positions, FOREX.com is authorized, in FOREX.com's sole discretion, to deliver, roll over or offset all or any portion of the Open Positions in Customer's Account at Customer's risk. Delivery of Foreign Currency shall be made to the bank specified by the purchaser in a major city in the country in which the Foreign Currency is the legal tender. Unless otherwise agreed by FOREX.com and Customer in writing, the Foreign Currency shall be deliverable by wire transfer. FOREX.com may require payment of amounts due from Customer to FOREX.com prior to 16:30 ET on any day prior to payment of amounts due and payable by FOREX.com to Customer on that day. FOREX.com and Customer shall exchange, make use of, and periodically update and confirm any standing payment instructions. Spot Metal deliveries will take place at a location and custodian as approved by FOREX.com. Sufficient funds to take delivery or the necessary delivery documents must be in the possession of FOREX.com. If instructions, funds and documents are not received by FOREX.com by the specified time, FOREX.com may, in its sole discretion

and without notice to Customer, offset Customer's Open Positions, roll over Customer's Open Positions into the next settlement time period, or make or receive delivery on behalf of Customer upon any terms and by any methods deemed reasonable by FOREX.com, in its sole discretion. Terms and/or methods for delivering, offsetting, or rolling over Customers' Open Positions may differ on a Customer-by-Customer basis relative to the current balance in the Customer's Account.

9. **LIQUIDATION OF ACCOUNTS AND DEFICIT BALANCES.** In the event of: (a) an Event of Default; (b) insufficient Margin, or FOREX.com's determination that any Collateral deposited to protect Customer's Account is inadequate, regardless of current market quotations, to secure Customer's Account; or (c) any other circumstances or developments that FOREX.com, in its sole discretion, deems appropriate for its protection, FOREX.com may, in its sole discretion, take one or more, or any portion, of the following actions: (1) satisfy any obligation Customer may have to FOREX.com (either directly or by way of guarantee or suretyship) out of any of Customer's funds or property in the custody or control of FOREX.com; (2) sell or purchase any or all Contracts and any securities or other property held or carried for Customer; and (3) cancel any or all outstanding Orders or Contracts or other transactions or commitments made by or on behalf of Customer. Any of the above actions may be taken without demand for Margin or additional Margin, without prior notice of sale or purchase or other notice to Customer, Customer's legal representatives, heirs, executor, administrator, trustee, legatee, successors or assigns and regardless of whether the ownership interest is held individually or jointly with others. Any prior demand or notice of sale or purchase shall not be considered a waiver of FOREX.com's right to sell or buy at any time in the future without demand or notice as provided above. In liquidation of Customer's Long Positions and Short Positions, FOREX.com may, in its sole discretion, offset in the same settlement or it may initiate new Long Positions or Short Positions in order to establish a spread or straddle that in FOREX.com's sole judgment may be advisable to protect or reduce existing positions in Customer's Account. Any sales or purchases may be made according to FOREX.com's judgment and in its sole discretion in any interbank, Over-the-Counter or other exchange market where such business is then usually transacted or at a public auction or private sale, and FOREX.com may purchase the whole or any part thereof free from any right of redemption. In the event the proceeds realized pursuant to liquidation are insufficient for the payment of all liabilities of Customer due to FOREX.com, Customer shall promptly pay upon demand the entire amount of any such deficit, together with all other deficits and all unpaid liabilities of Customer, including, but not limited to, all costs of enforcement and collection, such as, but not limited to, attorneys' fees, witness fees and travel expenses, interest on any such deficit and liabilities at a rate equal to three (3) percentage points above the then prevailing prime rate at FOREX.com's principal bank or the maximum interest rate allowed by law, whichever is lower. In the event FOREX.com incurs expenses other than for the collection of deficits, with respect to Customer's Account, Customer agrees to pay such expenses. See the Margin Requirements page on FOREX.com's website.

## Risk Disclosure Statement

In consideration of FOREX.com agreeing to enter into Over-the-Counter (“OTC”) Foreign Exchange Contracts with the undersigned (hereinafter referred to as the “Customer”), Customer acknowledges, understands and agrees that:

1. **Trading Is Very Speculative and Risky.** Foreign Exchange Trading and Spot Metal Trading is highly speculative and is suitable only for those customers who (a) understand and are willing to assume the economic, legal and other risks involved, and (b) are financially able to assume losses significantly in excess of Margin or deposits. Foreign Exchange and Spot Metal Trading may not be an appropriate investment for retirement funds. Customer represents, warrants and agrees that Customer understands these risks; that Customer is willing and able, financially and otherwise, to assume the risks of Foreign Exchange Trading and Spot Metal Trading and that loss of Customer’s entire Account Balance will not change Customer’s life style.
2. **High Leverage And Low Margin Can Lead To Quick Losses.** The high leverage and low Margin associated with Foreign Exchange Trading and Spot Metal Trading can result in significant losses due to price changes in Foreign Exchange Contracts, Cross Currency Contracts and Metal Contracts. Customers must maintain the Minimum Margin Requirement on their Open Positions at all times. It is the customer’s responsibility to monitor his/her Account Balance. FOREX.com has the right to liquidate any or all Open Positions whenever the Minimum Margin Requirement is not maintained. Increasing leverage increases risk.
3. **Prices, Margin And Valuations Are Set By FOREX.com And May Be Different From Prices Reported Elsewhere.** FOREX.com will provide prices to be used in trading, valuation of Customer positions and determination of Margin requirements. Although FOREX.com expects that these prices will be reasonably related to prices available in the interbank market, prices reported by FOREX.com may vary from prices available to banks and other participants in what is known as the interbank market. FOREX.com will exercise considerable discretion in setting and collecting Margin. FOREX.com is authorized to convert funds in Customer’s Account for Margin into and from such Foreign Currency and Metal at a rate of exchange determined by FOREX.com in its sole discretion on the basis of then-prevailing money market rates.
4. **One Click Trading And Immediate Execution.** FOREX.com’s automated order entry system provides immediate transmission of Customer’s order once Customer enters the notional amount and clicks “Buy/Sell.” There is no “second look” before transmission, and Market Orders cannot be cancelled. This feature may be different from other trading systems. Although not required, we recommend a Customer utilize the Demo Trading System to become familiar with the order entry process before trading online with FOREX.com. Customer agrees that by using FOREX.com’s order-entry system, Customer agrees to the one-click system and accepts the risk of this immediate transmission feature.
5. **Telephone Orders And Immediate Execution.** Market Orders executed through the FOREX.com Trading Desk are completed when FOREX.com says “deal” or “done.” At that point Customer has bought or sold and cannot cancel the Market Order. By placing Market Orders through the FOREX.com Trading Desk, Customer agrees to such immediate execution and accepts the risk of this immediate execution feature.
6. **Market Recommendations Are Informational, Customer Makes Independent Decisions, And FOREX.com Is Not An Adviser Or A Fiduciary To Customer.** The market recommendations provided by FOREX.com do not constitute an offer to buy or sell, or the solicitation of an offer to buy or sell, any Foreign Exchange Contracts, Cross Currency Contracts or Metal Contracts. Each decision by Customer to enter into a Contract or other transaction with FOREX.com and each decision whether a Contract or other transaction is appropriate or proper for Customer is an independent decision by Customer. FOREX.com is not acting as an advisor or serving as a fiduciary to Customer. Customer agrees that FOREX.com has no fiduciary duty to Customer and no liability in connection with and is not responsible for any liabilities, claims, damages, costs and expenses, including attorneys’ fees, incurred in connection with Customer following FOREX.com’s trading recommendations or taking or not taking any action based upon any recommendation or information provided by FOREX.com.
7. **Recommendations Are Based On Personal Judgments And Are Not Guaranteed.** The market recommendations of FOREX.com are based solely on the judgment of FOREX.com’s personnel. These market recommendations may or may not be consistent with the market positions or intentions of FOREX.com, its affiliates and employees. The market recommendations of FOREX.com are based upon information believed to be reliable, but FOREX.com cannot and does not guarantee the accuracy or completeness thereof or represent that following such recommendations will reduce or eliminate the risk inherent in Foreign Exchange and Spot Metal Trading.
8. **There is no Central Market or Clearinghouse Guarantee of Payment.** Each Contract is a contract directly between FOREX.com and the Customer. There is no clearinghouse and no guarantee by any other party of FOREX.com’s payment obligations to the customer. Customer must look only to FOREX.com for performance on all Contracts in Customer’s Account and for return of any Margin or Collateral.
9. **No Guarantees Of Profit.** There are no guarantees of profit or freedom from loss in Foreign Exchange Trading and Spot Metal Trading. Customer has received no such guarantees from FOREX.com or from any of its representatives. Customer is aware of the risks inherent in Foreign Exchange Trading and is financially able to bear such risks and withstand any losses incurred.
10. **Customer May Not Be Able To Close Open Positions.** Due to market conditions or other circumstances FOREX.com may be unable to close out Customer’s position at the level specified by Customer, and Customer agrees FOREX.com will bear no liability for failure to do so.
11. **Trading Ahead And Along.** FOREX.com its personnel and affiliates and various other parties may execute orders at the same or better prices ahead of a Customer Order.
12. **Third Party Agents.** In the event that Customer grants trading authority or control over Customer’s Account to a third party (the “Trading Agent”), whether on a discretionary or non-discretionary basis, FOREX.com shall in no way be responsible for reviewing Customer’s choice of such Trading Agent or for making any recommendations with respect thereto. FOREX.com makes no representations or warranties concerning any Trading Agent; FOREX.com shall not be responsible for any loss to Customer occasioned by the actions of the Trading Agent; and FOREX.com does not, by implication or otherwise, endorse or approve of the operating methods of the Trading Agent. If Customer gives the Trading Agent authority to exercise any of its rights over its Account, Customer does so at Customer’s risk. Even though the undersigned grants authority to Trading Agent, client should be diligent and closely scrutinize all account activity. FOREX.com provides online Account access to view the status of their Account(s), whereby Client may view their Account Value and Account Activity.
13. **Internet Trading.** Since FOREX.com does not control signal power, its reception or routing via Internet, configuration of Customer’s equipment or reliability of its connection, FOREX.com shall not be liable for any claims, losses, damages, costs or expenses, including attorneys’ fees, caused, directly or indirectly, by any breakdown or failure of any transmission or communication system or computer facility or trading software, whether belonging to FOREX.com, Customer, any market, or any settlement or clearing system when Customer trades online (via Internet).
14. **Telephone Orders.** FOREX.com is not responsible for disruption, failure or malfunction of telephonenumber.

15. **Quoting Errors.** Should a quoting error occur due to a mistype of a quote or a misquote given by telephone and/or electronic means (including responses to Customer requests), FOREX.com is not liable for any resulting errors in Account Balances and reserves the right to make necessary corrections or adjustments on the Account involved. Any dispute arising from such quoting errors will be resolved on the basis of the fair market value, as determined by FOREX.com, in its sole discretion, of the relevant Currency at the time such an error occurred. In cases where the prevailing market represents prices different from the prices FOREX.com has posted on our screen, FOREX.com will attempt, on a best efforts basis, to execute trades on or close to the prevailing market prices. These prevailing market prices will be the prices, which are ultimately reflected on the Customer Statements. This may or may not adversely affect customer realized and unrealized gains and losses.
  
16. **Creditor Priority in Bankruptcy.** The transactions you are entering into with FOREX.com are not traded on an exchange. Therefore, under the U.S. Bankruptcy Code, your funds may not receive the same protections as funds used to margin or guarantee exchange-traded futures and options contracts, which receive a priority in bankruptcy. Since that same priority has not been given to funds used for off-exchange forex trading and spot metal trading, if FOREX.com becomes insolvent and you have a claim for amounts deposited or profits earned on transactions with FOREX.com, your claim may not receive a priority. Without a priority, you are a general creditor and your claim will be paid, along with the claims of other general creditors, from any monies still available after priority claims are paid. Even customer funds that Company keeps separate from its own operating funds may not be safe from the claims of other general and priority creditors.

## Trading Policies And Procedures

1. **INTRODUCTION.** FOREX.com's Trading Policies and Procedures are an integral part of your Customer Agreement. It is your responsibility as Customer to carefully read these Trading Policies and Procedures and to inform FOREX.com of any questions or objections that you may have regarding them before entering each and every trading Order. In entering your trading Orders with FOREX.com, you agree, represent, warrant and certify that you understand and accept these Trading Policies and Procedures, as they are set forth here and as may be amended from time to time by FOREX.com as posted to FOREX.com's website, in its sole discretion, and you agree to comply with these Trading Policies and Procedures as currently in effect at any time. Terms capitalized in these Trading Policies and Procedures are defined in the Glossary as found on [www.forex.com/en-us/education/glossary/](http://www.forex.com/en-us/education/glossary/).
2. **TRADING HOURS.** All references to FOREX.com hours of trading are in U.S. Eastern Time ("ET") using a 24-hour format. FOREX.com normally provides access for Foreign Exchange Trading and Spot Metal Trading on the Website from 17:00 ET on Sunday to 17:00 ET on Friday, but FOREX.com reserves the right to suspend or modify its trading hours at any time and on such an event will inform clients in advance on a best efforts basis of any changes in its operating hours. Trading hours by contract type may vary. OTC Foreign Currency and spot metal markets typically operate 24 hours a day. Following submission of an Order to trade, it is the sole responsibility of Customer to remain available for Order and Fill confirmations, and other communications regarding Customer's FOREX.com Account until all open Orders are completed. Thereafter, Customer must monitor Customer's Account frequently when Customer has Open Positions in the Account.
3. **TRADE ORDERS**
  - 3.1. **Order Types and Order Entry.** For information regarding the types of Orders accepted by FOREX.com, please refer to FOREX.com's website. All Orders must be placed through the FOREX.com Online Trading System or by telephone to the FOREX.com Trading Desk. Telephone orders are accepted in the sole discretion of FOREX.com.
  - 3.2. **One Click Order Entry/One Click Execution of Market Orders.**
    - 3.2.1. **Electronic Order entry for Market Orders equals Order execution.** To enter an online Order, Customer must access the deal entry screen, enter the notional amount, *i.e.*, the size of the trade, and select the Eligible Foreign Currencies, Cross Currency Pairs or metal rates. When prepared to trade, Customer must then click on "BUY/SELL". The Order is filled shortly after the Customer hits "BUY/SELL", if the Customer has sufficient funds in his or her Account and a "deal failed" message is not received. Deals may fail for several reasons including changing dealer prices, insufficient margin, unspecified lot size or unanticipated technical difficulties.
    - 3.2.2. **Immediate Execution of Market Orders Through the FOREX.com Trading Desk.** Market Orders executed over the telephone with the FOREX.com Trading Desk are completed when FOREX.com says "deal" or "done." At that point Customer has bought or sold and cannot cancel the Market Order. Customer agrees by placing Market Orders through the FOREX.com Trading Desk to such immediate execution and accepts the risk of this immediate execution feature.
    - 3.2.3. **Order Cancellation.** Non-market Orders may be cancelled via the FOREX.com Online Trading System. Rapid changes in Bid Prices and Ask Prices, however, may cause Customer's Order to be executed before Customer can cancel it and FOREX.com shall have no liability for any claims, losses, damages, costs or expenses, including attorneys' fees, arising directly or indirectly out of the failure of such Order to be cancelled. Customer may contact FOREX.com by telephone if facing difficulty with order cancellation.
  - 3.3. **Capacity.** FOREX.com operates as a division of GAIN Capital Group, LLC. GAIN Capital Group, LLC is a registered Futures Commission Merchant and Retail Foreign Exchange Dealer (FCM/RFED) and a member of the National Futures Association (NFA ID#0339826).
  - 3.4. **Terms of Acceptance for Orders.** It is Customer's sole responsibility to clearly indicate the terms of an Order when entered, regardless of Order type, including but not limited to the Order's Value Date and specified Spot Rate limits, where applicable. Although a Spot Rate is specified upon entry of certain types of Orders, including stop/loss Orders, limit Orders and other non-market Orders, market conditions may often prevent the execution of an individual Customer's non-market Orders despite other dealing activity at that price level, or may often require non-market Orders to be Filled at a substantially different Spot Rate, and Customer agrees to accept the best rate which FOREX.com, in its discretion, may assign to the Fill. Customer acknowledges that FOREX.com shall accept all non-market Orders only on a best-efforts basis. FOREX.com shall have no liability for failure to Fill Orders, and makes no guarantee of an Order's priority over the Orders of FOREX.com, its other customers, associated principals, officers, directors, affiliates, associates, employees, banks, bank employees or other dealers. FOREX.com shall have the right, but not the obligation, to reject any Order in whole or in part before or after confirmation, or to cancel and rescind any Fill, where Customer's Account contains Margin that is insufficient to support the entire order at the time that market levels reach the order levels as specified by the client, or where, in the opinion and sole discretion of FOREX.com, the execution of such Order may place Customer's Account in an insufficient Margin condition, or where such Order or Fill is illegal or otherwise improper.
  - 3.5. **Confirmation of Fills.** Trades executed online will be confirmed online in the Activity Log, Deal Blotter, on the Execution Screen, and elsewhere within the platform. The Position Management Screen is updated online as each trade is executed. Telephone orders are verbally confirmed and confirmed online in the Deal Blotter and Position Management Screen by 17:30 ET on the day the order is placed. Reports of the confirmation of orders and statements of Accounts for Customer shall be deemed correct and shall be conclusive and binding upon Customer the sooner of: (x) two (2) Business Days after transmittal to Customer by posted mail; or (y) immediately with respect to Orders confirmed via the FOREX.com Online Trading System. Customer may object to confirmations and statements by telephone within the time frames identified above, but any such objection must be confirmed by e-mail to [info@forex.com](mailto:info@forex.com) or in writing within two (2) Business Days thereafter to FOREX.com (which confirmation shall be deemed received only if actually delivered or mailed by registered mail, return receipt requested to FOREX.com at such address). Failure to object shall be deemed ratification by Customer of all actions taken by FOREX.com or FOREX.com's agents prior to Customer's receipt of such reports. Customer's failure to receive a trade confirmation shall not relieve Customer of the obligation to object as set out herein. Customer agrees to immediately call to FOREX.com's attention any oral information that Customer has reason to believe is inconsistent with Customer's own information. Customer understands, acknowledges and agrees that errors, whether resulting in a profit or loss to Customer, shall be corrected, and Customer's Account will be credited or debited in such manner and extent as to place Customer's Account in the same position in which it would have been had the error not occurred.  
  
FOREX.com reserves the right to be the final arbiter with respect to disputed Orders. In cases where the prevailing market represents prices different from the prices FOREX.com has posted on our screen, FOREX.com will attempt, on a best efforts basis, to execute trades on or close to the prevailing market prices. This may or may not adversely affect customer Realized and Unrealized Gains and Losses. Transaction Data Reports that include the transaction data required by NFA Compliance Rule 2-36 are available upon request. Please call 1-877-367-3946 (Toll Free) or 1-908-731-0730 (International) to request this information.

FOREX.com may, in its sole discretion, initially accept a fax copy of the signed Customer Account Application and may permit one or more trades if Customer has deposited sufficient funds into the Account. In this case, FOREX.com must receive an original signed copy of the entire Customer Account Application and Customer Agreement within seven (7) days of completion of the online Customer Account Application. - 4.4. **Fees.** All banking fees shall be charged to Customer's Account at FOREX.com's discretion, including a \$25.00 FOREX.com fee, over and above any bank fees, for each returned check.
5. **MARGIN REQUIREMENTS.** Customer shall provide and maintain with FOREX.com margin in such amounts and in such form that FOREX.com, in its sole discretion may require. FOREX.com does not require Customers to pay the full price of Foreign Currencies or metal Customer may buy and sell. Instead, Customer is required to post the Required Margin to secure Customer's obligations to FOREX.com. Margin includes Required Margin for Open Positions, which is based on (i) the Opening Margin Requirement; (ii) the Minimum Margin Requirement; (iii) the market value of Open Positions; and (iv) any additional amount as FOREX.com, in its sole discretion, believes is prudent to require. Customer must maintain the Minimum Margin Requirement on their Open Positions at all times. FOREX.com has the right to liquidate any or all Open Positions whenever the Minimum Margin Requirement is not maintained, according to paragraph 6 hereof. Margin requirements are subject to change at any time in FOREX.com's sole discretion and without prior notice. No previous margin requirement shall preclude FOREX.com from increasing that requirement without prior notice. FOREX.com may, in its sole discretion, elect to impose on a disclosed or undisclosed basis limitations on the maximum number of Open Positions allowed at any time
6. **LIQUIDATION LEVEL.** Subject to all additional rights of FOREX.com under the Customer Agreement, in the event that, in the sole opinion of FOREX.com and in accordance with FOREX.com's reasonable best estimate of then prevailing obtainable market Spot Rates, and regardless of whether or not prior Margin Calls have been issued or met, if the Margin Balance should at any time equal or fall below the Minimum Margin Requirement for Customer's Account in the aggregate, FOREX.com will have the right but not the obligation to liquidate any part of or all Open Positions in Customer's Account. Clients are responsible for placing their own Stop Loss Orders to minimize losses. Any failure by FOREX.com to enforce its rights hereunder shall not be deemed a future waiver of such rights by FOREX.com. FOREX.com does not make margin calls in the ordinary course of business. FOREX.com maintains the right to liquidate Customer positions as described above. However, FOREX.com may from time to time and in its sole discretion, call Customer and request that Customer deposit additional Collateral to secure Customer's obligations to FOREX.com, over and above the balance in Customer's Account. Any call for additional margin without exercising the rights to liquidate Customer positions shall not be deemed precedent for future calls nor future waiver of such liquidation rights by FOREX.com.

## Trading Tools

1. FOREX.com may from time to time offer market news, commentary, charting, and analysis, trading performance analytics, signals-based products or services and other trading support tools ("Trading Tools"). Before using any Trading Tools please read this note carefully. It complements the Customer Agreement and associated risk disclosures furnished by us and should be read in conjunction with them. Unless stated otherwise, any capitalized terms used below shall carry the same meanings as in the Customer Agreement.
2. **The Trading Tools are general in nature and do not and will not take into account your personal objectives, financial situation, or needs. Before acting on a Trading Tool, you should consider its appropriateness, having regard to your personal objectives, financial situation, and needs.**
3. **FOREX.com will not give advice to you on the merits of any trade and shall deal with you on an execution-only basis. None of our staff are authorized by us or permitted under applicable laws to give you personal advice. Accordingly, you should not regard any proposed trades, trading signals, suggested trading strategies, or other written or oral communications from us as investment recommendations or personal advice or as expressing our view as to whether a particular trade is suitable for you or meets your financial objectives. You must rely on your own judgement for any investment decision you make in relation to your Account. You have the final decision in relation to every trade you enter into. You should make every effort to ensure you understand the Trading Tools and FOREX.com is entitled to assume that you do. If you require investment or tax advice, please contact an independent investment or tax advisor.**
4. Hypothetical performance results have many inherent limitations, some of which are described below. No warranty or representation is made that any Account will or is likely to achieve profits or losses similar to those shown in connection with any Trading Tool. In fact, there are frequently sharp differences between hypothetical performance results and the actual results subsequently achieved. Actual returns may be different to any hypothetical or indicative returns shown in any Trading Tool.
5. One of the limitations of hypothetical performance results is they are generally prepared with the benefit of hindsight. In addition, hypothetical trading does not involve financial risk and no hypothetical trading record can completely account for the impact of financial risk in actual trading. For example, the ability to withstand losses or to adhere to a particular trading platform in spite of trading losses are material points which can also adversely affect actual trading results. There are numerous other factors related to the markets in general or to the implementation of any specific trading program which cannot be fully accounted for in the preparation of hypothetical performance results and all of which can adversely affect actual trading results.
6. FOREX.com does not undertake to continue to offer the Trading Tools at all times and may not offer the same in the future. FOREX.com may withdraw or cancel any or all of the Trading Tools, or terminate your access to any or all of them, for any reason or for no reason at any time with or without notice, in our sole discretion.
7. Trading Tools can only be used for your own personal benefit. They cannot be used for business purposes or on behalf of another person nor can they be varied, passed on or resold to or shared with (in whole or in part) another person or entity or used to place any trades outside of our platform.
8. You will not copy, modify, de-compile, reverse engineer, or make derivative works of or from the Trading Tools or the manner in which they operate.
9. All intellectual property and other rights in the Trading Tools remain our sole property or the property of our licensors. FOREX.com does not assign, license, or otherwise transfer to you any right or interest in the Trading Tools whatsoever, except for the right to access and use the Trading Tools as expressly permitted by us in writing. In particular, but without limitation, all goodwill derived from the use or development of the Trading Tools will accrue exclusively to us. You will not do, or omit to do, or permit to be done, any act that will or may materially weaken, damage or be detrimental to the Trading Tools or the reputation of the goodwill associated with us or the Trading Tools.
10. FOREX.com does not commit to, and is not obliged to provide you with, any number of Trading Tools and the delivery of Trading Tools is not guaranteed. FOREX.com may provide the Trading Tools at such times, at such intervals and based on such factors as we may determine in our absolute discretion. You should not therefore use or rely on the Trading Tools as a method of monitoring prices, positions/markets or making trading decisions, and no liability will be accepted by us in this respect.
11. The Trading Tools are provided "AS IS", without any representation or warranty of any kind whatsoever, including that they will be without interruption or error free.
12. FOREX.com may suspend use of the Trading Tools at any time to carry out maintenance, repairs, upgrades or any development related issues, in order to comply with Applicable Laws or for any other reason determined by us in our sole discretion.
13. To the extent permitted by Applicable Laws, you agree not to hold FOREX.com, our directors, officers, employees, or agents liable for losses or damages, including legal fees, that may arise, directly or indirectly, in whole or in part, from: (a) non-delivery, delayed delivery, or the misdirected delivery of any Trading Tool, (b) inaccurate or incomplete content of any Trading Tool, or (c) your reliance on or use of the information in any Trading Tool for any purpose.

Any failure by you to comply with any of the above obligations or restrictions shall constitute an Event of Default under our Customer Agreement.

Trading is very speculative and risky. Foreign Exchange Trading is highly speculative and is suitable only for those customers who (a) understand and are willing to assume the economic, legal and other risks involved, and (b) are financially able to assume losses significantly in excess of margin or deposits. Customer represents, warrants and agrees that Customer understands these risks; that Customer is willing and able, financially and otherwise, to assume the risks of Foreign Exchange Trading and Spot Metal Trading and that loss of Customer's entire Account Balance will not change Customer's life style.

The high leverage and low margin associated with Foreign Exchange Trading and Spot Metal Trading can result in significant losses due to price changes in Foreign Exchange Contracts, Cross Currency Contracts and Metal Contracts. Company's margin policies may require that additional funds be provided to properly margin Customer's Account and that Customer must immediately meet such margin requirements. Failure to maintain the Minimum Margin Requirement may result in the liquidation of any open positions with resultant loss to Customer.

FOREX IS AN OVER THE COUNTER (OTC) MARKET, MEANING THE FOREIGN CURRENCY TRADING YOU ARE ENTERING INTO IS NOT CONDUCTED ON AN EXCHANGE. AS A MARKET MAKER, FOREX.COM IS THE COUNTERPARTY IN THESE TRANSACTIONS AND, THEREFORE, ACTS AS THE BUYER WHEN YOU SELL AND THE SELLER WHEN YOU BUY. AS A RESULT, FOREX.COM'S INTERESTS MAY BE IN CONFLICT WITH YOURS. UNLESS OTHERWISE SPECIFIED IN YOUR WRITTEN AGREEMENT OR OTHER WRITTEN DOCUMENTS FOREX.COM ESTABLISHES THE PRICES AND WHICH IT OFFERS TO TRADE WITH YOU. THE PRICES OFFERED MIGHT NOT BE THE BEST PRICES AVAILABLE AND DIFFERENT PRICES MAY BE OFFERED TO DIFFERENT CUSTOMERS.

IF FOREX.COM ELECTS NOT TO COVER ITS OWN TRADING EXPOSURE, THEN YOU SHOULD BE AWARE THAT FOREX.COM MAY MAKE MORE MONEY IF THE MARKET GOES AGAINST YOU. ADDITIONALLY, SINCE FOREX.COM ACTS AS THE BUYER OR SELLER IN THE TRANSACTION, YOU SHOULD CAREFULLY EVALUATE ANY TRADE RECOMMENDATIONS YOU RECEIVE FROM FOREX.COM OR ANY OF ITS SOLICITORS.

**RISK DISCLOSURE STATEMENT**

OFF-EXCHANGE FOREIGN CURRENCY TRANSACTIONS INVOLVE THE LEVERAGED TRADING OF CONTRACTS DENOMINATED IN FOREIGN CURRENCY CONDUCTED WITH A FUTURES COMMISSION MERCHANT OR A RETAIL FOREIGN EXCHANGE DEALER AS YOUR COUNTERPARTY. BECAUSE OF THE LEVERAGE AND THE OTHER RISKS DISCLOSED HERE, YOU CAN RAPIDLY LOSE ALL OF THE FUNDS YOU DEPOSIT FOR SUCH TRADING AND YOU MAY LOSE MORE THAN YOU DEPOSIT.

YOU SHOULD BE AWARE OF AND CAREFULLY CONSIDER THE FOLLOWING POINTS BEFORE DETERMINING WHETHER SUCH TRADING IS APPROPRIATE FOR YOU.

(1) TRADING IS NOT ON A REGULATED MARKET OR EXCHANGE—YOUR DEALER IS YOUR TRADING PARTNER WHICH IS A DIRECT CONFLICT OF INTEREST. BEFORE YOU ENGAGE IN ANY RETAIL FOREIGN EXCHANGE TRADING, YOU SHOULD CONFIRM THE REGISTRATION STATUS OF YOUR COUNTERPARTY.

The off-exchange foreign currency trading you are entering into is not conducted on an interbank market, nor is it conducted on a futures exchange subject to regulation as a designated contract market by the Commodity Futures Trading Commission. The foreign currency trades you transact are trades with the futures commission merchant or retail foreign exchange dealer as your counterparty. WHEN YOU SELL, THE DEALER IS THE BUYER. WHEN YOU BUY, THE DEALER IS THE SELLER. As a result, when you lose money trading, your dealer is making money on such trades, in addition to any fees, commissions, or spreads the dealer may charge.

(2) AN ELECTRONIC TRADING PLATFORM FOR RETAIL FOREIGN CURRENCY TRANSACTIONS IS NOT AN EXCHANGE. IT IS AN ELECTRONIC CONNECTION FOR ACCESSING YOUR DEALER. THE TERMS OF AVAILABILITY OF SUCH A PLATFORM ARE GOVERNED ONLY BY YOUR CONTRACT WITH YOUR DEALER.

Any trading platform that you may use to enter off-exchange foreign currency transactions is only connected to your futures commission merchant or retail foreign exchange dealer. You are accessing that trading platform only to transact with your dealer. You are not trading with any other entities or customers of the dealer by accessing such platform. The availability and operation of any such platform, including the consequences of the unavailability of the trading platform for any reason, is governed only by the terms of your account agreement with the dealer.

(3) YOUR DEPOSITS WITH THE DEALER HAVE NO REGULATORY PROTECTIONS.

All of your rights associated with your retail forex trading, including the manner and denomination of any payments made to you, are governed by the contract terms established in your account agreement with the futures commission merchant or retail foreign exchange dealer. Funds deposited by you with a futures commission merchant or retail foreign exchange dealer for trading off-exchange foreign currency transactions are not subject to the customer funds protections provided to customers trading on a contract market that is designated by the Commodity Futures Trading Commission. Your dealer may commingle your funds with its own operating funds or use them for other purposes. In the event your dealer becomes bankrupt, any funds the dealer is holding for you in addition to any amounts owed to you resulting from trading, whether or not any assets are maintained in separate deposit accounts by the dealer, may be treated as an unsecured creditor's claim.

(4) YOU ARE LIMITED TO YOUR DEALER TO OFFSET OR LIQUIDATE ANY TRADING POSITIONS SINCE THE TRANSACTIONS ARE NOT MADE ON AN EXCHANGE OR MARKET, AND YOUR DEALER MAY SET ITS OWN PRICES.

Your ability to close your transactions or offset positions is limited to what your dealer will offer to you, as there is no other market for these transactions. Your dealer may offer any prices it wishes, and it may offer prices derived from outside sources or not in its discretion. Your dealer may establish its prices by offering spreads from third party prices, but it is under no obligation to do so or to continue to do so. Your dealer may

offer different prices to different customers at any point in time on its own terms. The terms of your account agreement alone govern the obligations your dealer has to you to offer prices and offer offset or liquidating transactions in your account and make any payments to you. The prices offered by your dealer may or may not reflect prices available elsewhere at any exchange, interbank, or other market for foreign currency.

**(5) PAID SOLICITORS MAY HAVE UNDISCLOSED CONFLICTS.**

The futures commission merchant or retail foreign exchange dealer may compensate introducing brokers for introducing your account in ways which are not disclosed to you. Such paid solicitors are not required to have, and may not have, any special expertise in trading, and may have conflicts of interest based on the method by which they are compensated. Solicitors working on behalf of futures commission merchants and retail foreign exchange dealers are required to register. You should confirm that they are, in fact registered. You should thoroughly investigate the manner in which all such solicitors are compensated and be very cautious in granting any person or entity authority to trade on your behalf. You should always consider obtaining dated written confirmation of any information you are relying on from your dealer or a solicitor in making any trading or account decisions.

**FINALLY, YOU SHOULD THOROUGHLY INVESTIGATE ANY STATEMENTS BY ANY DEALERS OR SALES REPRESENTATIVES WHICH MINIMIZE THE IMPORTANCE OF, OR CONTRADICT, ANY OF THE TERMS OF THIS RISK DISCLOSURE. SUCH STATEMENTS MAY INDICATE POTENTIAL SALES FRAUD.**

**THIS BRIEF STATEMENT CANNOT, OF COURSE, DISCLOSE ALL THE RISKS AND OTHER ASPECTS OF TRADING OFF-EXCHANGE FOREIGN CURRENCY TRANSACTIONS WITH A FUTURES COMMISSION MERCHANT OR RETAIL FOREIGN EXCHANGE DEALER.**

You acknowledge and agree that a lack of available liquidity from GAIN Capital’s DMA Services liquidity providers may result in your order not being filled at any price. **You further acknowledge and agree that GAIN Capital will display currently available pricing for the contracts offered under the DMA Services, but actual execution prices achieved in the market by GAIN Capital with its DMA Services liquidity provider and passed on to you by GAIN Capital acting as counterparty to your trade may differ materially from pricing displayed, and you agree to accept the prices assigned to all filled orders pursuant to the DMA Services.**
- c. Unless otherwise specifically indicated in the trading platform through which you are accessing the DMA Services, all contingent and market orders placed on any trading day will expire at the end of each trading day.

  - c. you acknowledge and agree that the transactions you execute through the platform will be subject to a commission and any bid/offer spread included in the foreign currency pricing offered to you via the platform through which you access the DMA Services.
- 3. RISK OF TRANSACTIONS.** You acknowledge that you have been informed, and that you understand that (i) none of the DMA Services provided by GAIN Capital shall give rise to any fiduciary or equitable duties on our the part of GAIN Capital or any of its officers, directors, employees or affiliates; (ii) GAIN Capital may receive fees or other payments from one or more third parties in respect of any particular transaction executed in connection with the provision of the DMA Services hereunder; and (iii) the submitting or posting of any information to or on the platform by which the DMA Services are accessed by any person shall not be deemed to be a recommendation by any such person that you should enter into any particular transaction or that such transaction is suitable or appropriate for you.
- 4. TERMINATION.** GAIN Capital may terminate these Supplemental Terms and your access to the DMA Services at any time for any reason or no reason, with or without notice, in its sole discretion.
